Dear Sir March 3rd 1854

If it is convenient I wish you would please to bring the matter of the Seminary depository before the Board and let me know the result, as I would like to make arrangements about my room. Since making my application I have understood that Mr Burtis, a Classmate was agoing to or has applied for it. But I think that I should be entitled to a preference both in that I spoke to the present incumbent first & that I expect to labor for the Board the coming vacation, which Mr Burtis refused to do, & has taken a Commission of the Sab School Union. I'll send you the order for books for my Colportage the 15th april if it will suit you Yours truly

Dear Brother

I was not aware until yesterday that you wished a speedy answer with reference to the terms of my Colporteurship, else I would have written you sooner. I think that it will be much better to take the 25 pr ct Commision. As I shall be in the midst of friends and may often want to stop longer than I should feel willing to do if receiving a regular salary from the board

Therefore with your permission I will take the percentage.

One of our Brethren fell asleep in Christ on Sabbath last.

He was looking forward to India or China, but God had other work for him. This providence has made a marked impression upon the Students here, which I trust will not soon be effaced.

If it will not be seeking to much of a personal Stranger I would desire an occasional remembrance by you at the throne of Grace, during my labors for the Board.

Yours Affectionately

Rev & Dear Sir

Your kind letter with the accompanying bills of Shipment of my books was duly received

In looking over the bill of books I found quite a number left out, that I thought I had sent for. So I have made out another order, which you may send if you please to "Amsterdam Montgomery Co. New York" By N.Y. Central Rail Road. Those tracts you sent are the very things I wanted, for I believe them powerful instrumentalities for good. I would also like a few copies of the "Record" & "Visitor" as I would like to introduce them into that section. I expect to reach my field the last of next week

A relative of mine is a member of Dr Candee's Church. He represents it to be a feeble old School Ch, struggling for existence among the Congregationalist & New School Churches. They raised 20 $ for Sabbath School books; out of sympathy instead of pocketing my 5 per ct profit I gave it to them & thus secured the money for the purchase of our books. Still if you can't send them what I ordered for $20, please send them what you can of the Sabbath School books in cheap binding for that sum.

By appointment I prepaid & read the Annual Essay on Foreign Missions before the Soc of Inq of the Seminary. Subject: "The Missionary Call addressed to Christian Young Men; especially Candidates for the Ministry."

As Some have rejected Missions, & its influence has been good here, I have thought that perhaps it might better in some measure promote the Cause of For Missions, to which, I stand personally Consecrated, by giving it to the Board of Publication to be sent out as a Tract.

Minaville Montleo
Dear Sir N.Y.

Enclosed is a certificate for twenty five dollars, which please credit me with.

I am happy to be able to say that I have once more commenced work.

I continue to receive much encouragement & kindness from the people with whom I come in contact.

I find it rather an unfavorable season of the year for labor. The men are very busy in the harvest field & at this season of the year rather short of funds.

Please send ten copies (10) of the Sab School Visitor postage prepaid to ~~Miss Elizabeth Co~~!

Dear Brother

I have given to Mr E Conklin of the Continent Stereoscope Co a letter of introduction to you. I first knew Mr Conklin some ten years ago when he was a travelling artist for Frank Leslie's illustrated publications. Soon after that when the Government sent me to Arizona for Indian Children for Carlisle & Hampton schools, Mr Conklin was my assistant & I saw a good deal of him. And I have met him occasionaly since -

Ten years ago he tried to be an infidel, but the Memory & life of his pious Mother & Sister troubled him - So that for years a struggle has been going on in his heart-, until he has come out on the side of Christ-, & connected himself with the Methodist-Church in Cleveland O. This he did because circumstances had taken his Mother & Sister into that Church

His art-business was in New York & more latterly

he has read law in New York, so that he is in the City much of the time & has attended your Church. After a long struggle he feels called upon to enter the Ministry. Just ~~before leaving the east~~ & left the task, he came to see me about it. As far as he has light he prefers the Presbyterian Church & Ministry, but feared that at his age (perhaps 30 or over) he could not take the long course usually prescribed for Presbyterian Ministers. And it might be better for him to enter the Methodist Ministry where the intellectual Standard is lower -

I advised him to see you, & take his Church letter to your Church - Then if you thought best place himself under the Care of the Presbytery of New York as a Candidate for the Ministry. & take a short English Course - For a person situated as he is I do not consider it necessary to take the Latin, Greek & Hebrew Course - The main thing for him to learn is the proper Method of Studying the ~~Bible~~ English Bible - instruction in Calvinistic Theology, Presbyterian Form of Government, and Methods of preaching.

Then if you do not want him in an Eastern Church, send him to us in Alaska. His past life has given him an experience & training that will make him very useful in the

Alaska or some similar work among the Indians.

In looking over the New York letters for some one who would take ~~interest~~ interest in him, I told him of you, & was agreeably surprised to find that he was already attending your Church, although not acquainted with you personally.

Come & spend your Summer vacation with us in Alaska. We will give you a warm welcome.

Your Brother in Christ

Dear Sir Your appeal to the C. H. C. A for a Missionary to the Alaska Indians has been referred to me, & I think I can find you a man —

Please write me, What Salary will be necessary to support a Minister & his wife there?

What is the least amount of money that will be needed for Mission premises?

Please send me any information that is necessary —

What Language will the Missionary need to learn?

Very Truly yours
